TRANSFER PREMIUM

NB: When you come to sell your apartment, there is a 4.5% Transfer Premium payable. This consists of 2% of the re-sale price, to prepare the apartment for re-sale (and contribute to the future maintenance of the building) plus 2.5% of the re-sale price is to cover marketing, etc., (so that you do not need to use an Estate Agent).

Full details of this Transfer Premium, including a worked example of how much it might be, are available. We are happy to provide further information and advice that you discuss this with your Solicitor prior to purchase.
